## 2) Image Optimization:

- When you upload a blog and add an image, ensure to include appropriate image alt text. Use one of the following alt texts:
  - "The Haryana Story"
  - "haryana news"

## 3) Blog Meta Information:

- For the meta title and meta description of the blog, make sure to include the following keywords:
  - "The Haryana Story"
  - "haryana news"
  -

## 4) Content Keywords:

- Integrate the keywords "The Haryana Story" and "haryana news" naturally throughout the blog content. Ensure keyword density is balanced to avoid keyword stuffing.

#### 5) **Internal Linking:**

- Link to other relevant articles on "The Haryana Story" website to improve site navigation and SEO. For example:
  - "For more detailed coverage, visit our article on Haryana elections."

#### 6) **Website Footer Enhancement Guidelines**

##### 1. **Social Media Integration:**

- Add social media icons to the footer for platforms such as YouTube, X (formerly Twitter), Facebook, Instagram, and LinkedIn.
- Ensure that each icon links directly to the respective social media pages of "The Haryana Story".
- Use consistent and recognizable icons to maintain a clean and professional look.

##### 2. **Newsletter Subscription:**

- Include a "Join Our Newsletter" section in the footer.
- Add a simple form with fields for the user's name and email address.
- Include a brief description encouraging visitors to subscribe for the latest updates, news, and stories from Haryana.
- Ensure the form is connected to your email marketing system to manage subscriptions efficiently.

##### 3. **Important Links:**

- Add a section for "Important Links" in the footer.
- Include links to key pages such as Home, About Us, Contact Us, Submit, Policies, Terms of Use, and any other important sections of your website.
- Ensure these links are easily accessible and clearly labeled.
